

Jugend 4 German

Study German in school - Grades 8 to Matric - SACE registered teachers - IEB syllabus - Afternoon classes - Johannesburg

Why German

Career

Many German companies have international branches - improve your chances with a German company in South Africa or abroad.

Tourism

Germany is the 3rd biggest spender on international tourism - more opportunities for German speakers in this sector.

Science

German is the 2nd most important language in science and Germany is the 3rd largest contributor to research and development offering research fellowships to scientists from abroad.

Study in Germany

Germany offers a generous number of scholarships and other support to study there - a German university degree is highly valued by employers worldwide.

Travel

Enhance your travel experience to German speaking countries by speaking the local language and gain inside views of the

Tuition

- Weekly classes teaching German 2nd additional language to pupils from grades 8 to Matric.
- Classes are held at Kingsmead College and St John's College in Johannesburg.
- All classes follow the IEB syllabus.
- Comments, test and examination results are communicated to each pupil's school.
- Schools are required to enrol the pupils for the NSC - examinations for German 2nd add. lang. in Grade 12.
